Message from the President

Stay tuned for a special message from the President in the New Year!

Office

We received some sad news shortly before Christmas. Tamara has very little availability this semester with her school schedule and unfortunately will not be able to maintain the previous work schedule she had with us. She has asked to reduce her schedule for January and indicated that she won't be able to continue long term employment due to her demands at school. We wish her continued success in her education and her upcoming CPA program and thank her for stepping in temporarily.

Corrie will be taking over the full cycle bookkeeping shortly; she has already been involved in most aspects of the bookkeeping including payables and payroll. She will be having a few training sessions with Nancy and Nancy will complete the year-end for us. She will mentor Corrie and be available for questions should (when) they arise.

The "Sell Building Analysis" (motion from AGM) will be out in January, I apologize for the delay. Now that we have some stability in the office, financial reports will be sent out on a monthly basis again starting in January. We've had some good months in the pub, and should be ending the year off on a positive note with a small reported income for the GSW Year-End.

The Schnitzelhaus is still working on finding the perfect staff. Thank you for your patience and understanding during this time. Please be supportive, encouraging and welcoming to all the new faces.

Our new POS software and menu are getting set up. We will have special member pricing on buffets starting in January. If there's something you'd love to see offered, please email me!

Unfortunately, the Jets games were not well received and therefore we will only be showing important games unless otherwise requested. However, mark February 2 on your calendars for Super Bowl - wings, schnitzel sliders, nachos, and of course beer!

We are going to do a trial run of Sunday Brunches on the last Sundays of the month on Jan 26, Feb 23, March 29, 2020. These will be similar to what will be served on New Years Day.

On behalf of the German Choir of Winnipeg we wish all of you a Happy New Year and all the best in 2020. Our 2019 Christmas celebrations and concerts are behind us. As mentioned in the previous Newsletter, we greatly missed several members, but those that were able to sing gave their best and the feedback from the audiences was very positive.

We will be having our yearly meeting in January when we will decide our plans for 2020. Again, Happy New Year.

Treue Husar

Season's Greetings,

We hope you had a healthy and happy Christmas.

Der Treue Husar would like to thank everyone who supported our Sobey's Fundraiser. We would also like to thank Denise for organizing this fundraiser. Our travelling group is very excited to be performing at Ganga in Las Vegas in January 2020. This is the American version of Karneval.

Prince Frank and Princess Tatjana are looking forward to meeting all the other Princes and Princesses from the United States and Canada.

The Dancers are anxious to perform Show Dances on Friday night and Traditional Marches on Saturday night. It should be an experience that they will remember for a long time to come. We would like to wish you a Happy New Year!

See you at Fruhschoppen.
